

Save The Date:

2nd Annual

Day at the Capitol

Date: 02/06/10

Time: 8:00 am - 2:00 pm

Location:

2nd Floor Rotunda, State Capitol

This year at the 2nd Annual OICU Day at the Capitol, we would love to have 100% participation from our schools. It is very important for the Legislature to see your faces and it is nice for each of our schools to thank them for all they do.

The set up will be the same as last year, with booths for each school to decorate and display their information. We will serve breakfast to all the schools as well as the Legislators and staff. We will also provide boxed lunches to each of the schools that attend.

Last year was our 1st year for the Day at the Capitol and it was a huge success. We hope to have all of you there to take part in this fun and exciting day!

Please RSVP by March 1, 2010. We look forward to great participation and another successful year!
